CropFit®

SEASURGE

SEASURGE

GENERAL INFORMATION

CropFit SeaSurge is a liquid fertilizer enriched with seaweed extract to improve uptake.

RATE RECOMMENDATIONS

Foliar Applications

Field Crops, Row Crops, Vegetables and Small Fruit: Apply 1-4 pts per acres in a minimum of 10 gallons of spray solution per acre for ground rigs and a minimum of 2.5 gallons of water per acre for aerial applications.

Soil Applications

May also be made and are best as a precision application in the root zone and may be made by drip, sprinkler or furrow irrigation systems or in band applications. For trees or individual plants, the product may be diluted as above or sprinkled directly on the soil uniformly under the plant's drip line, then watered.

Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year and plant species.

MIXING AND HANDLING INSTRUCTIONS

Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden. Check with your local Cooperative Extension Agency to obtain specific information on local turf best management practices.

PRECAUTIONARY STATEMENTS

First Aid: *If in eyes:* Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. *If eye irritation persists:* Get medical advice/attention. *If skin irritation occurs:* Get medical advice/attention. Take off contaminated clothing and wash it before reuse.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of contents/container in accordance with local authority requirements.

GUARANTEED ANALYSIS 0-0-2

Soluble Potash (K_2O) 2.00%

Derived from: Kelp Extract (Ascophyllum nodosum and Potassium Hydroxide) F76*
** Potassium Hydroxide as an extraction agent.*

WARNING: Causes skin irritation. Causes eye irritation.
